Soccer Uniforms/Cleats

Kids Again has been known for years for having a great selection of soccer, football, baseball and indoor and other sport items. Things that make us laugh!

I rear-ended a car this morning. So, there we were alongside the road and slowly the other driver got out of his car. You know how sometimes you just get sooooo stressed and little things just seem funny?

Yeah, well I couldn't believe it he was a DWARF!!!

He stormed over to my car, looked up at me, and shouted, "I AM NOT HAPPY!"

So, I looked down at him and said, "Well, then which one are you?"

Laundry Hints

*Invest in the Magic Eraser or the lesser expensive Miracle Eraser from Walgreens. This is so handy for cleaning scuffs from those slick raincoats, rain boots, patent leather, ballet shoes and most tennis shoes.

*Wash cleats in the washer with jeans.

*Your dish soap will take grease stains from colored clothing and works on most other food stains on any color of clothing.

*Dry cleaning will not take away stains or food spots unless you tell the cleaners to treat the spots. Most food stains are water soluble and may be gotten out first and then the garment can be dry-cleaned.

* Avoid much of your ironing. After washing, place clothes in the dryer for 5 minutes. Take item from dryer and pull on the seams and hang immediately. Thicker fabrics may take 10 minutes. You should only have to touch up with an iron, if at all.

Puns for those with a higher IQ

*A man's home is his castle, in a manor of speaking.

*Dijon vu - the same mustard as before.

*Shotgun wedding - A case of wife or death.

*Reading while sunbathing makes you well red.

*When two egotists meet, it's an I for an I.

*A bicycle can't stand on its own because it is two tired.

*What's the definition of a will? (It's a dead give away.)

*Time flies like an arrow. Fruit flies like a banana.
